

LoveUrns® are all about design, aesthetics, elegance and emotions. We love small details.

Look closely at any LoveUrns® product and you will see the individuality of the artisan, evident in its unique casting or spinning, hand-engraving and comforting colors. Each individual urn is a work of art of several efficient craftsmen.

All our products are conceptualised, designed and developed by the LoveUrns® team. Everything handmade within our own manufacturing units in India, free of child labor.

LoveUrns® are hand-crafted by skilled adult artisans, allowing educational opportunities for their children who otherwise might be required to work. Purchasing one of these handcrafted urns directly benefits Indian artisans by allowing them to support their families with dignity and purpose. With steady income comes better nutrition, advance education and access to healthcare.

LoveUrns® has a human face and we reach out to our employees in the time of crisis, supporting them and even taking care of the medical expenses of the ailing members in their family. We ensure that our employees love the work they do and that they have a healthy and safe workplace.

We choose to support handicrafts as a powerful way to create a more sustainable economic system, transforming the market from profit-centered to people-centered. We believe that supporting local artisans is good for the community, but it is also good for the art. As rising technology demands substituting skilled workers with machines it is important to keep hand-making goods an economically viable occupational choice.

We continue to work in this area to expand the availability of responsibly produced cremation and funeral products across the globe.

We are here to make really good honest products. Handcrafted with Love™

Tear Drop™

"If tears could build a stairway,
and memories a lane.
I would walk right up to Heaven
and bring you back again.

No farewell words were spoken,
No time to say "Goodbye".
You were gone before I knew it,
and only God knows why.

My heart still aches with sadness,
and secret tears still flow.
What it meant to love you -
No one can ever know.

But now I know you want me
to mourn for you no more;
To remember all the happy times
life still has much in store.

Since you'll never be forgotten,
I pledge to you today~
A hollowed place within my heart
is where you'll always stay."
